

EARN-A-BIKE REGISTRATION AND PERMISSION FORM

The Hub's Earn-A-Bike Program provides a forum **for youth aged 8 – 16** to develop bicycle maintenance skills, while interacting with their peers in a learning workshop. The program spaces contain the same tools as a professional bicycle shop, and participants receive supervision from qualified staff and volunteers during the earning process.

We encourage guardians to join their children as they participate in the Earn-A-Bike program. If you do not accompany your child as they come and leave, we ask that a parent/guardian sign this form to give permission for your child to come to the shop on **Saturdays from 12pm-3pm** and to ensure that children are participating with your full knowledge.

By signing this form you are giving permission for The Hub staff to contact you to verify that your child is allowed to participate in the program. You also have full knowledge of and give permission for your child/dependent to participate in the Earn-a-Bike program and use the workshop at Back Alley Bikes. This form is valid for one year.

Occasionally there are photographers in our shop and during the summer we will have rides every Saturday at 3:30pm. If you approve of your child being photographed for use on our website or other publications and you approve of them going on our rides, please check the boxes below.
